## *Life at Stoughton High School cannot be summarized in just one volume!*

**Right: Randy Polillio** knows the importance of getting all his fluids.

All of us here at Stoughton High School know that the events that happen here daily cannot be described in just a few words. During our four years, we go from lowly frightened Freshmen to confident, prepared Seniors. Along the way, we endure Midterms, SAT's, Driver's Tests, and enjoy friendships, Proms, Dances, Spirit Weeks, Talent Shows, Plays, Sports Teams...the list is endless. Our challenge in the 2001 Stotonian is to encapsulate this year in one volume. How can we? For all of us, our experience at Stoughton High School is definitely "More Than Words.

# Bust a Move!

The bell rings and students take off for their next class. With only four minutes to pass, there's no time for long conversations, only the occasional 'hello' or high five. If you do have enough time to get to class, you can still take a peek at the outfit your crush is wearing!

# Lean on Me!

Undeniably, one of the best parts of Stoughton High School is the friends that we make here. Some of us have been friends since that first day of Kindergarten, while the rest of us met along the way. Friends help us through the bad times, give us those valuable fashion tips, act as our confidants when we need advice on love, and let us borrow money for the payphone when we need it!

All of the people around us they say
Can they be that close
Just let me state for the record
We're giving love in a family dose
Living life is fun and we've just begun
To get our share of the world's delights
high hopes we have for the future
And our goal's in sight (WE!)
no we don't get depressed
Here's what we call our golden rule
Have faith in you and the things you do
You won't go wrong
This is our family Jewel

# Trends at SHS

**Clockwise from Right: Erica Richardi's** sense of style is especially great on Halloween.

**Above: Ryan Banks** knows that it can be painful keeping up with the latest trends.

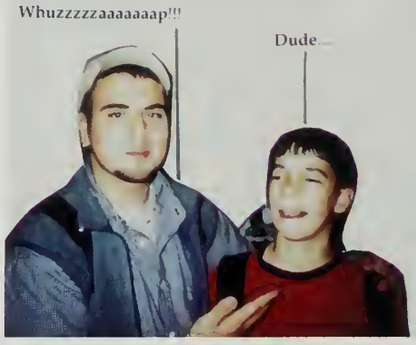
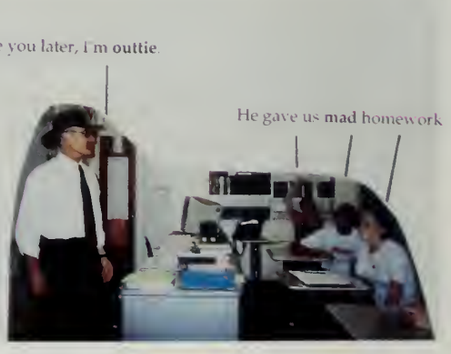
**Bottom:** This trend will be with this student for life.

**Right:** Stoughton sports will never go out of style for these field hockey players: **Leah Schechter, Kim Whittington, Jennifer Banis** and **Megan McConnell.**

*In the olden days, speech and diction were proper, no matter who was speaking. For 21st century teenagers, words and syllables have changed to have different meanings from their traditional ones. Peace Out!*





*If you look around, you can see many different groups of students here at SHS. They all have their own fashion statements that can range from Abercrombie and Fitch to Billabong. Fashion statements allow students to express themselves individually. This year's fashions include body piercings, wild-colored hair, and unique tattoos. No matter how much people stay the same, trends will always change to fit the times.*

Hmmm, I wonder where **Kim Whittington, Lori Green, Rachel Chisholm,** and **Kate Ziegler** got their sweatshirts?

**Lara Figueroa** wonders what fun color **Brian Dunderdale's** hair will be tomorrow.

**Laura Barrett** psyches up for the game by braiding her hair.

**Valerie Watson** knows that err...purple-haired girls have more fun!!!

Looks like **Tara Wasserstein** and **Nicole Vasconcelos** have the same taste in shirts!

# Teachers?

You walked into your first day of Kindergarten and who was there to greet you? A teacher! Through the years we have grown up, and teachers have been by our sides the whole way. Whether it's the Office Staff, Guidance, Math, Science, English, World Language, Special Education, Fine Arts, or another Department, there's always a teacher who has a smile to help you along your way. Where would we be without them? Well, wherever we'd be, it wouldn't be a good place!

Be careful! **Mr. Wall** has a paintbrush and he knows how to use it!

# Most School Spirit - Mrs. Shannahan

*Why is school spirit so important to you?*
I am a graduate of Stoughton High School where I spent four very happy years. My spirit comes from those memories as well as my years as a teacher.

*What do you like best about Spirit Week?*
Friendly competition - who can out orange-and-black who? Beat me if you can!!!

*What ways do you show your school spirit?*
Primarily, prior to the Stoughton/Canton game, College sweatshirt day, Penny Wars and Orange and Black day, I like to have the students do the spirit displays, and I enjoy the rally.

*It seems that you win school spirit often, how do you feel knowing that the students choose you for this position?*
It's fun and I am delighted.

# Who You'll Miss the Most: Mr. Maccini

*What do you like best about this year's Seniors?*
The Seniors this year are active in a class, with lots of school spirit and seem to want to make a difference in the world they life in.

*How does it feel to win this award?*
I'm completely blown away having this honor bestowed upon me. Hopefully I'll continue to live up to this for all the future SHS students to come.

*You make learning fun, is there anny advice for students that want to pursue a science-related career?*
My advice is very simple for all students: Love what you do in this life; look forward to Monday mornings, and stop to "smell the flowers" along the way.

*What do you think the students will miss the most about you?*
My practical and enthusiastic approach to education, my room (D106), and most of all - where the silent "y" in banana is.

Mr. Santoro
Mr. T. Silva
Mr. Vieira
Mrs. Williams
Dr. Hoy

Mrs. Crosby
Mrs. Poilucci
Ms. DeSousa
Mrs. Bagtaz
Mrs. Niemic

# Most Fun-Loving: Mr. Santoro

*How do you make teaching fun?*
I try to remember what it is like to be a teenager - which, at my age, is very difficult.

*How does it feel to get the honor of most fun-loving?*
It is quite an honor - although I think I'm a lot funnier than Mr. Gallivan (my jokes are better).

*If you could give advice to the Seniors, what would it be?*
Develop a sense of humor - studies say that people who laugh a lot live longer - look at Mr. Santoro.

*Why do you think students consider you fun-loving?*
I guess it's because of my love of Superman; Tom Petty; cheering; and Baton Rouge.

# Most Unforgettable: Dr. Hylander

*Why do you think the Seniors consider you unforgettable?*
Probably for my story telling, irreverence and sense of humor.

*Who was your favorite teacher during high school?*
Don't let this get out but I went to reform school. My favorite teacher was John Gotti.

*What will you miss about the Class of 2001?*
Warmth, sense of humor, affirming for me why I wanted to be a teacher.

*Any last words for the Senior Class?*
- Always be yourself
Always grow young, Always see the humor in a situation, and
Never eat yellow snow!

- Mr. Downs

*Most Fun- Loving:*

*Easiest to Talk To:*

# Best Dressed: Mr. Young & Miss Levine

*What do you think about the fashion trends at SHS?*
Y: Not much has changed - jeans sneakers and sweatshirts.
L: The diversity in fashion is great.

*Where do you buy your clothes?*
Y: Mostly Banana Republic, but if I run out of money, I go to Filene's Basement.
L: I would say The Gap and The Limited. I buy from many different stores.

*What did you wear when you were a teenager?*
Y: Sweaters and jeans.
L: The same clothes clothes I wear now. I would dress up many times, but there was nothing better than jeans and a T-shirt.

# Best Sense of Humor: Mr. Gallivan

*What is the funniest joke you have ever heard?*
Vote counting in Florida.

*How does it feel to know the Seniors think you are funny?*
It doesn't surprise me. In my high school yearbook I was voted most likely to be the funniest teacher in 20 years!

*What is the funniest thing that ever happened to you in school?*
In first grade, the kid next to me wet his pants and he tried to blame me even though the puddle was under his desk.

*Define funny.*
It can't be defined. It just happens!

*Most School Spirit:*

Mrs. Sullivan

- Mrs. Weiner

*Best Sense of Humor:*

Mr. McCormick

# Most Homework: Mr. Iacobacci

*Why do you feel giving a lot of homework is necessary?*
I always felt that, in math courses, homework was a way for the students to practice using skills they were shown during class time. So much of the class is taken up with introducing material that additional time was needed to actually become proficient at it.

*When you were young, which teacher gave you a lot of homework?*
When I was young, oh so many years ago, I think the math teachers gave the most homework.

*Even though you're no longer a math teacher, do you miss giving out homework?*
I do not miss giving out homework, nor do I miss having to actually go over the homework papersthat my students passed in. I did look at every single hom lesson that was assigned.

*Why do you think students complain so much about homework?*
Most kids do the homework, and most know why it is valuable. Kids complain because it is human nature to not want to do more than you have to.

*That's what friends are for*
*For good times and bad times*
*I'll be on your side forever more.*
*That's what friends are for*

*I never thought I'd feel this way*
*Well you came and opened me*
*And now there's so much more I see*
*And so, by the way, I thank you*

*And then for the times when we're apart*
*Well, then close your eyes and know*
*These words are coming from my heart*
*And then if you can remember*

*Keep smiling, keep shining*
*Knowing you can always count on me, For sure*
*That's what friends are for*
*In good times and bad times*
*I'll be on your side forevermore*
*That's what friends are for...*

# HAPPILY EVER AFTER

## JUNIOR PROM 2000

### Oh, What A "Mystical Knight!"

*The Class of 2001 celebrated their Junior Prom on April 28, 2000 at Lombardo's in Randolph. We celebrated the last few "Mystical" days of our Junior year by dancing the night away. We will long remember the beautiful dresses, handsome escorts, and exciting moments of the prom. From "the circle", where they chose the court, to dancing with our friends 'till our feet ached, we enjoyed every moment.*

## Junior Prom Court

*Junior Prom King*, **Adam Cornblatt**, *Queen*, **Ashley Souza.**
*Court*:: **Jerome Fallon, Kimberly Jeffs, Ryan La Casse, Nicole Kourafas, Jamal Toure, Danielle Pinnetti, Anthony Lamar, Shannon Durling, Christopher Panico, Tanika Richardson, Kevin Branco, Sarah Christensen**

# GIRLS JUST WANNA HAVE FUN

**Left:** Canton girls hang their heads as Nikki Kourafas blows by them for a touchdown.
**Right:** Emily Green makes a quick grab for a flag, stopping the Bulldogs from advancing.

## *No time for losers cuz...*
## *We Are The Champions*

Stoughton girls defeated Canton 12-8 on November 22, 2000. With coaching and practices with Ms. Sullivan and Mr. Kelleher, the first touchdown was made by Elizabeth Mahoney right after the first kick-off to the Black Knights. Nicole Kourafas also took part in the game by making a fast run to the end zone, winning the Black Knights another touchdown. The game was packed with a chalk full of action, including the electrifying plays that fired up the team. On the contrary, the players on the sidelines were shivering due to suspense and the wicked wind from the bitter, cold day.

**Top left:** (clockwise) Abbey States, Julia Love, Amanda Mahoney, Sarah Christensen, Heather Mills, Nora Byron, and Erin Klim take time from the game to pose
**Top right:** Lady Knights huddle to plan their next attempt to put the Bulldogs to sleep. **Middle left:** Powderpuff girls show their school spirit at the pep rally. **Middle right:** (top row) Kristin Eardley, Kendra Bucaria, Marietta Felina, Stephanie Santoro, Katie Fillion, and Christine Vo, (bottom row) Christine Miller, and Liz Niemiec. **Bottom left:** Lady Knights stand in anticipation as their teammates run the next play. **Bottom top right:** The whole team makes a run onto the field to celebrate their first touchdown. Bottom lower right: The Bulldogs watch in awe as Nikki Kourafas fakes a pass to a fellow teammate.

# IT'S HEART FOR THE BOYS!

**Below:** Black Knight Powderpuff cheerleaders posed for a group picture after the zestful pep rally.

**Below:** Paul Eagles, along with the other powderpuff cheerleaders, shakes his bon-bon at the Lady Black Knights' game.

**Above:** Jesse Spinola, Jeff Derouen, and Kevin Ramos make a bold fashion statement in thier skirts the day of the big game. **Below:** Powderpuff cheerleaders get ready to get the crowd involved by cheering for the players.

## *The Captains Speak...*

**Jeffrey Rodriguez**

**Matthew Verrengia**

"Practices were a riot, seeing all of us make fools of ourselves. It was an overall 'muy interesante' experience!"

"We got no sleep the night before and it was beyond freezing at the game that we couldn't do our stunts, but when the game started we collaborated as a team."

**Left:** Jeff Derouen and Jesse Spinola hype up the crowd for the upcoming game. **Above:** The Powderpuff cheerleaders try to coordinate a cheer in between plays.

**Top row:** Matt Verrengia and Jesse Spinola. **Middle row:** Jeff Derouen, Kevin Wilson, Chris Simons, and Brandon Bettencourt. **Bottom row:** Matt Batchelder, Eric Golden, Dan Christos, Jeff Rodriguez, and Paul Eagles show off their muscles in a 10 person pyramid.

Through the good and the bad, Remember all the times we've had. The people who became friends, And the parties we didn't want to end.The tears that we cried, When we knew our best friends had lied.The laughter that we shared, With the people who really cared. For the virgin daiquiris, And the breakfasts at Zachary's.For the tests that we failed, And for the hoops that Charmaine nailed. To the class of 2001, This may be just the beginning, but we sure have already had a hell of a lot of fun.

## *Our High School Years*

*As I walk through the doors in a scary new school,*
*I try to act grown-up, confident, cool.*
*If the other kids only knew how scared I was inside,*
*they'd laugh, ridicule and criticize.*
*As I look around for familiar faces,*
*I find no one, and no empty spaces.*
*the bell rings, my heart skips a beat,*
*I take a step forward but I can't move my feet.*
*I find my class and a friend of mine,*
*I take a breath and say to myself, 'Everything will be fine.'*
*The day comes to an end, things weren't that bad.*
*I look back and forget about why I was so sad.*
*Two years go by, I'm in eleventh grade,*
*I'm thinking about my car, my boyfriend and the next time I get paid.*
*When I think about life I think of my friends this year,*
*never once thinking about my future, my career.*
*Another year goes by, it's my senior year,*
*I start to think about my future and I'm filled with fear.*
*I start studying and doing well on my tests,*
*trying hard to finish my homework and do my best.*
*Getting my report card, seeing how I was affected,*
*thinking about my college and hoping I was accepted.*
*Why didn't I think in my early years,*
*and take my mind off my tempting peers?*
*It's time to graduate, tears running down my face,*
*thinking about my childhood, rushing it like a race.*
*What happened to my petty fears,*
*my pigtails, bruises, my teddy bears?*
*As I walk up the stairs I look out to my friends,*
*and faking a smile I know this is the end.*
*I accept my diploma with tears in my eyes,*
*and realize we had the time of our lives.*

# Hard Knock "Senior" Life

**Top: April Ilacqua...** You know I'm cute!!

**Bottom: Leah Amaru, Ryan La Casse, Danny Leonard, Jesse Spinola, Ray Polillio, and Robyn MacKenzie**... working hard or hardly working??!!

## What word would you choose to describe your **Senior Year** and why?

"Easy, because I have all fun classes that are no-brainers."
~Ami Perchase

"Hectic, because it's so difficult to balance college application work and school work."
~Stephen Goldstein

"Fun, because I have no real classes and I basically come to school to chill!"
~Gerry Thaxton IV

Senior year is truly a hard knock life. Between schoolwork, college applications, sports, and work, it can be extremely overwhelming. As freshmen, we may have expected senior year to be more laid back, but to our surprise, our work loads have only increased. Most of us have taken on jobs to save for college. Juggling all of this has made us more responsible and more prepared for the future.

On the other hand, senior year is the most **exciting** period of ones high school career. This is our last chance to make the best of everything we have and to put all of our past worries and troubles behind us. We know that we are all going our separate ways and into a big world. From Powder Puff to our last moment as seniors at graduation, we, the ***Class of 2001***, have all come together to make our last year at Stoughton High School one that we will never forget.

# CLASS OF 2004 FRESHMEN

## Was it hard to go from being the oldest to the youngest?

" No. If you joined a sports team or whatever, you already had upperclass friends."- **Elaine Williams**

" Yes, I think it was a difficult transition to make. Overall, I feel it is a tough thing to do."**- Adam Isbitsky**

"It wasn't as hard as I thought it would be, and you get used to being the youngest."- **Lauren McCormick**

"No, because I know a lot of older kids and they help me on where to go and what to stay away from. Also, when you are the oldest, you are expected to set an example, but now we have no one looking up to us - well, except for the short kids." **- Adam Telian**

The team would like to thank Coach Stuber for a great season.The girls team finished with a record of 1-16-1. The leadership of the senior captain Christy Maltby, and junior captains Jessica Sahagian, and Miranda Bonadio, held the team together throughout the season. # Sticking Together

## Season highlighted by 4-1 win over Franklin.

The Varsity field hockey team finished its season with a 1-15-2 record. Although the record didn't show it, this team was full of many talented athletes. Led by senior captains Erin McNamara and Elizabeth Mahoney, the team held their heads up high and never gave up. The team's highlight was when they won their first game in two years against Franklin with a score of 4-1. They took the field with great intensity and left with a positive result. The whole team played well, whether they were on the field dominating their opponent, or on the sidleine cheering them on. Another highlight was the last game, when they tied Mansfield, a field hockey powerhouse. The team led 1-0 for most of the game, until the very end when Mansfield salvaged a final goal to leave it to a 1-1 tie. Leaving behind 16 seniors, Michele Couto, Emily Green, Robyn Mackenzie, Natalie Chandler, Jenn Banis, Amanda Mahoney, Leslie Young, Leah Amaru, Lindsay Turner, Katie Small, Kerri Roche, Sarah Christensen, Karen Conopka, Elizabeth Mahoney, Gail Chan, and Erin McNamara, the team will be extremely different for the 2001 season. The team would like to thank Coach Mark, Coach Golden, and Coach Gallivan for a fun and unforgettable season.

# Hole-In-One

## Season highlighted by 4-1 win over Sharon.

The Varsity Golf team finished their season with a 2-13-1 record. The team played through every match with determination. The senior captain Ronnie Grimes led the team with great effort. Although the team didn't have much depth of talent, they played through every match hoping for the best. The team's best performance was against the league power Franklin, losing only 3 1/2 to 2 1/2. The team is leaving behind four seniors, captain Ronnie Grimes, Chris Fitzpatrick, Jeff Ford, and Jeff Rodriguez. These seniors provided key leadership and will be greatly missed. Some memories will also be left behind - like waiting for an hour at Norton Country Club in the pouring rain for the bus to return, and when Chis Fitzpatrick found out what it was like to hit a golf ball and a rock at the same time. The team would like to thank Coach Jacobs for a great season.

## Season highlighted by 39-0 win over Canton

Our outstanding record of 8-2 only begins to explain how great the boys Varsity football season was. There were several contributing factors to our success. The team worked extremely hard from August until November. All the Seniors have played together since at least Freshman year, some longer. Led by Captains Mike Horan, Ryan LaCasse, Shawn Ireland, and Dan Rice, we must say that this season was one of the best that Stoughton has seen in many years.

***Gymnasts prove the meaning of the word hard-working!***

The Gymnastics Team, guided by the hard work and dedication of Coaches Lisa Walsh and Rachel Kaplan, had a number of outstanding meets highlighted by strong individual performances. Junior Captain Jen Monaco did her best to keep the team focused. She and Jessica Freitas made Stoughton proud on the beam and vault. Jennifer Freitas showed her skill on the floor exercise. Dara Young and Megan McConnell had excellent performances on the uneven bars. Jillian Promisel and Andrea Costa had an excellent season as All-Arounds. Even though the overall record might not have revealed it, a closer look at the 2000 - 2001 squad showed there were many things which the team could point to with pride. Next year we look forward to the season with the help of the Captains Jennifer Monaco and Megan MCConnell.

# Hit me with your best shot!

Both the Girls and Boys Basketball Teams hada lot of successes this year. Led by Captains Matt Verrengia and All Star Matt Batchelder, the Boys enjoyed many highlights including well-played games against N. Attleboro and a great team effort against Canton on the road. The Seniors, including the Captains, Joe Noel, Jim Pascarelli, Jesse Strickland, Dan Leonard, and Mauricio Lopes quietly led by example. For the Girls, an extremely exciting season was highlighted not just by their 20 - 2 record, but also by the fact that they were South Sectional Finalists. Noteworthy for their gutsy play under pressure, the Girls were led by Captains Heather Jacobs and Charmaine Steele.

"Reach for the Stars was the varsity cheerleading team's quote for the 1999- 2000 season. Hard work and dedication brought the squad even beyond those expectations. With their new boost of confidence, the 2000 - 2001 team quote is "Bring it On." More competitive than ever, with a change of coaches, and a new style of uniforms, the squad attended NECA camp at Western New England College, and blew their opponents away. They started the season off with a bang, taking home first place in the Grand Champs Competition. The team also won numerous awards such as best all-around.

# Ice Ice Baby

The Varsity Ice Hockey team was led this season by Hockomock League All-Star Senior Captain Shawn Ireland. The team finished the season with a 9-10-1 record, missing the state tournament by only one point. This team fought for the tournament all season, and were in the run for it right up until their second to last game against Bourne. The leading scorer of the team was Hockomock League All-Star, Junior Mike Gill. This season was highlighted by the 8-5 win over Bishop Feehan, which kept the Knights in the run for the tournament. The team showed up with great intensity, and held it throughout. Some newcomers were key for the Black Knights this season. Freshmen Mike Rafalko and Ryan Hudson provided strong offense for the Knights. Although the team is losing key seniors Shawn Ireland, Greg Daggett, Nick Massarelli, Ronnie Grimes, Jared Lindros, and Jon Desjardin, they have a lot to look forward to for the 2001-2002 season The team would like to thank Coach Dan Mark, Coach Dennis Aldrich, Coach Shaun Gear, Coach Marty Sasin, and Coach Todd Jacobson for a fun and unforgettable season.

Although they did not have the most wins in the win column, they had many key members that made a big contribution to the team. Senior Mike Horan Made it fat to the states, and was also named a League All-Star. Sophomore Melissa Mahoney also made it to the sectionals. Each member battled hard, right up until the last minute. This team is leaving behind only one senior, which is Captain Mike Horan, so they have high expectations for the years to come.

SUPERINTENDENT OF SCHOOLS

Dear Members of the Class of 2001:

On behalf of all the teachers and administrators who have fostered your educational progress, I want to take this opportunity to congratulate each of you on reaching this important milestone in your life.

Over the years, you have continued to represent the Stoughton Public Schools and the Town of Stoughton well. You have shown respect and put forth your best effort in everything that you have done—in the classroom, on the field, and in the community. We are very proud of your many accomplishments.

As a class, you have been a part of the changing face of education since the passage of the Education Reform Act of 1993, and you have been able to meet the challenges which were presented to you. As individuals, you have grown intellectually, socially and emotionally under the guidance of your parents and your teachers. They have played a major role in your many achievements, and their involvement has truly made a difference.

As each of you leaves the Stoughton Public Schools and moves on to further your education, to gain experience in the military, or to seek employment, I want you to know that we will be looking forward to hearing of your future successes. We wish you good health and happiness always.

Sincerely,

DANIEL F. DAVIS, Ph.D.
INTERIM PRINCIPAL

Dear Members of the Class of 2001

I watch you in the morning in the Cafeteria, chatting, laughing, hugging, trading pictures and doing last night's homework I see you in the halls grabbing a few seconds to check in with your friends, before you get to class. I watch you interact at dances and at football games

You showed great school pride when you cheered on the marching band as they ran through the halls after winning 1st prize in the New England Marching Band competition. You were instrumental in helping the boys' football team have their best season in a decade You cheered the girls to victory as they won the Hockomock League Basketball championship Throughout your four years at Stoughton High School you have demonstrated what it is to be a good human being and a good citizen.

I have had the privilege to teach you, and you have taught me much. You respect one another's opinions, you respect your teachers and everyone around you. These qualities have always been a trademark of the Stoughton High School community And you, the senior class of 2001, embody them as much as any class I have seen pass through these halls in my twenty-eight years as a director and principal.

The qualities you exhibit as a community of young people, reminds me of the wisdom of Confucius He lived 2,600 years ago, and remains one of the world's most influential thinkers. Confucianism is a moral doctrine that embodies certain virtues that make a person a good human being The first group is about how one should be, and includes benevolence, humanity, kindness, charity and love

The second group of virtues is about how one should act, and includes morality, or proper conduct and duty to one's neighbor. The last group of virtues is about what one actually does, and includes doing one's best, being loyal and considerate of others, and especially honoring one's parents. Confucius said, "**Yourself, what you don't want, don't do to others** If he were alive today, Confucius would proclaim Stoughton High School's senior class as **virtuous**

As you leave our Stoughton High School community to do the wonderful things we all know you are capable of doing, remember not to leave these virtues behind

With great affection,

Daniel F. Davis,

# Thanks, Mr. Looney!

14 years of dedicated service to Stoughton athletics from Mr. Peter Looney will come to an end after this 2000-2001 school year. Mr. Looney was a dedicated Athletic Director and well-respected throughout the Hockomock League. What Mr. Looney liked best about his job was the interaction overall. He liked to be involved with such a diverse group of students. He watched the athletes come in as freshman, sometimes uncoordinated and giddy, and watched them graduate and mature into fine athletes and people. He also enjoyed the interaction with the fine coaching staff at SHS. He got to know many of them personally and he loved to razz Coach Mark, Coach Stuber, and Coach Burke. During the fall season, you could always see Mr. Looney standing at the top of the hill watching. He'd watch cross country, football, field hockey, and soccer all at once. Although Mr. Looney loved his job, there are some things he wont miss, like the long hours and late nights, cold hockey rinks, and the "sideline" coaches. He also looks forward to many things. After 35 years, Mr. Looney finally wants to get to know his wife, spend good time on the beach, and spend time with his children, who he coached throughout their childhood, and his two grandchildren. Mr. Looney will be missed by everyone at SHS, and very difficult to replace.

Top to Bottom:
A: Mr. Looney and Mr. Iacobacci monitor the parking lot with a sense of humor.
B: Ms. Curtis is another fan of Mr. Looney's.
C: It's his way ...or the highway
D: Mr. Looney seals the deal with a member of the Girls' Swim Team.
E: Mr. Looney keeps Matt King in line.

"Mr. Looney will be missed as a hard-working, dedicated professional who stands for teamwork, sportsmanship and class in athletics. I'll miss him as a friend and respected colleague who I could count on and emulate. I owe you."

*Coach Stuber, Boy's Varsity Soccer*

"Mr. Looney is a great administrator, and it is always tough losing someone of his ability but what I am going to miss the most about his leaving is that over the 14 years he has been here, we've become friends, and it is always tough to say goodbye to your friends."

*Coach Brady, Girl's Varsity Swimming*

"Mr. Looney was a great director and he will be difficult to replace. He cared about all sports, not favoring one over another. During his time here, programs were expanded, and facilities were upgraded. In losing Mr. Looney, not only am I losing a director, but I am losing a friend."

*Coach Mark, Varsity FH, Ice Hockey, JV Softball*

"I will miss Mr. Looney's dedication and hard work for our school and town. He is a trmendous worker and is very good to us. I will also miss our morning chats about sports all around."

*Coach Burke, Varsity Football*

"It was a pleasure to work for Mr. Looney because of his professionalism, efficiency, dedication and loyalty. He will be greatly missed."

*Coach Gallivan, Frosh FH, JV Girls B-Ball, Frosh Softball*

"It is wonderful to have been a student athlete and now a coach under Mr. Looney. He takes great pride in the athletic department, and his dedication to the job is evident. He won't be forgotten at Stoughton High."

*Coach Levine, Girls Track and X-Country*

"I will miss his inspiring enthusiasm for the students and athletes at Stoughton High School."

*Coach Sullivan, Girls Softball and Basketball*

"I'll always remember the 'pained' expression on his face when I'd have to ask him for a basketball or whistle. You would have thought I'd asked him for the football budget. Nevertheless, a great A.D. who will be sorely missed."

WIND BENEATH MY WINGS
(BETTE MIDLER)

It must have been cold there in my shadow,
to never have sunlight on your face.
You were content to let me shine, that's your way!
You always walked a step behind.
So, I was the one with all the glory,
while you were the one with all the strain.
A beautiful face without a name for so long...
...smile to hide the pain.
Did you ever know that you're my hero,
and everything I would like to be?
I can fly higher than an eagle,
for you are the wind beneath my wings.
It might have appeared to go unnoticed,
but I've got it all, here, in my heart.
I want you to know I know the truth, of course I know it!
I would be nothing without you...!
...You're everything I wish I could be. I could...
...Did I ever tell you...?...'cause you are...
...Fly...away! You let me fly so high!
...Fly...high against the sky, so high I almost touch the sky.
Thank you...thank God for you...

Nick,
We've grown together - Now it is time for you to go into the world with what you've learned. I wish you peace, health, love, and all of the best things life has to offer. The best thing to give your enemy is forgiveness; To an opponent, tolerance; To a friend, your heart; To your child, a good example; To your father, deference; To your mother, conduct that will make her proud of you; To yourself, respect; To all people, charity.

I hope you never lose your sense of wonder.
Get your fill to eat but always feel that hunger.
May you never take one single breath for granted.
God forbid love ever leave you empty-handed.
If you come close to selling out reconsider.
When one door closes I hope one more opens.
Give the heavens more than just a passing glance.
And when you get the choice to sit it out or dance -
DANCE -
